# About the Conference

## Background

The prolonged uncertainty of the Covid-19 pandemic globally (with partial lockdown since 18 Mar 2020 in Malaysia) has affected the scheduling of forthcoming conferences globally. Coupled with the ever financial constraints to travel among international participants – in particular to those who would like to publish their conference papers soonest – it is timely now for a total virtual conference, thus, the AIVCE-BS (AMER ABRA International Virtual Conference on Environment-Behaviour Studies). Again, due to the uncertainty in scheduling forthcoming conferences, AIVCE-BS shall be organised in series, rather than the annual norm. The other four international conferences organised shall be back once the global pandemic is over.

## AIVCE-BS-2, 2020ShahAlam

Due to the recovery Movement Control Order (MCO) in Malaysia being extended to 31 Dec 2020, the conference organiser was not allowed to go abroad to organise the AQoL2020Marrakech. As such, it has been postponed to 2021, and replaced with the virtual AIVCE-BS-2, 2020ShahAlam, 02-03 Dec 2020. The ASLI QoL2020 WoS-indexed AIVCE-BS-2 (AMERABRA International Virtual Conference on Environment-Behaviour Studies), our 32nd international conference is broadcasted from Shah Alam, Malaysia.

It is organised by AMER (Association of Malaysian Environment-Behaviour Researchers), ABRA (Association of Behavioural Researchers on Asians/Africans/Arabians) and cE-Bs (Centre for Environment-Behaviour Studies, Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA, Malaysia). The event is fully managed by AMER's subsidiary, emAs (AMER Event Management & Services) under emAs emAs Resources.

The e-IPH, UK published both the Abstract Book (eISBN 978-1-913576-01-1), and the Proceeding in the E-BPJ (Environment-Behaviour Proceedings Journal), eISSN 2398-4287, 5(15) Dec 2020, issue. Currently, the E-BPJ is indexed in Clavirate Analytics Web of Science (WoS) and ScienceOpen. Extended versions of the selected papers shall be published as freely accessible articles, online, in our other international journals – AjBeS, AjQoL, ajE-Bs or jABs, @ no publication charges.

## ABRA

Association of Behavioural Researchers on Asians / Africans / Arabians

<https://amerabra.org>

Upon tremendous responses shown by researchers involving behavioural studies on Asians living in both Asian and non-Asian countries presented during the AcE-Bs / AicE-Bs conferences held since 2009, the formation of ABRA, an international organisation was considered necessary and timely.

To propel further internationalisation, the cE-Bs had during AicE-Bs 2010 Kuching, Malaysia, 7-9 December 2010 mooted the idea for the formation of an international organisation, ABRA (Association of Behavioural Researchers on Asians). Following the successful registration of AMER, and further interest expressed by representatives from several countries during the recent AcE-Bs 2012 Bangkok, a formal meeting amongst ABRA representatives was held during AicQoL2013Langkawi.

ABRA was finally formalised as an international research organisation by the Malaysian Registrar of Societies on 20th October 2014, with AMER as the Permanent Secretariat, headquartered in Shah Alam, Malaysia.

Since Jun 2020, ABRA is represented in 10 countries worldwide namely, Egypt, India, Indonesia, Iran, Malaysia, Morocco, Nigeria, Saudi Arabia, Taiwan, and Turkey. One benefit in becoming an ABRA member is the huge discount given to members who attend forthcoming activities to be organized. The discount given to members would more than pay back members' annual fees.
